

MICROBLADING MENU & PRICING:

SPOT SESSION

This session requires only spot numbing for a tiny area (up to 3 tiny spots) that need just a spot of blading to perfect the natural shape. 45-90min

\$250

LIGHT SESSION

LIGHT Sessions are for well shaped brows that need a light boost of blading to level up the density or make minor symmetry adjustments.

\$400

MODERATE SESSION

Brows requiring shaping, major symmetry adjustments, or heavier application of blading work must book moderate sessions.

\$500

FULL SESSION

Invisible, nonexistent, or 50% depilated brows that require a full reconstructive effect will need to book a FULL session.

\$600

TOUCH UPS

Touch ups or perfecting sessions are booked as needed and are not included in the price of your initial session. Not all initial sessions will require or warrant a touch up session 4-6 weeks post.

SPOT

For spot numbing and minimal touch up

\$90

SPARSE

For a light sprinkling of strokes throughout both brows.

\$120

COMPLETE

For size upgrades or heavier touchups for both brows.

\$150

RESTORE

For existing clients that 50-80% faded brows or have not touched up brows for 2+ years. Completely faded microblading (100% gone 3years+) will need to book a first session, returning clients will receive \$50 off their first session.

\$250

NEW CLIENTS MUST BOOK AN INITIAL SESSION.

NEW CLIENTS ARE NOT ELIGIBLE FOR TOUCH UP PRICING.
